School Goals

MITCH is intentional in our long-term goals, annual targets, and daily purpose. A five-year strategic plan focuses on improving every student's learning. Request our complete strategic plan to learn more.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

TTSD continuously evaluates and responds to the needs of our ever-changing world. With an uncompromised commitment to the safety and well-being of our students and staff, we will maintain a safe, respectful and rigorous learning environment. Our goal is that all students attend school where they feel physically and emotionally safe and respected. We are led by district policies that mandate no discrimination or harassment of our students, families or employees based upon race, ethnicity, religion, national origin and other protected classes.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We are committed to a school environment that is free from hazing, harassment, intimidation, racism, bullying, cyberbullying, menacing or any threat to personal safety or race/national origin discrimination. This commitment is mandated by board policy and reinforced by our student handbook. TTSD students have the responsibility to respect the rights of others, seek help when they know about a wrongful act and resolve disputes peacefully. We teach anti-bullying lessons and provide professional supports around social, emotional, and behavioral health.

EXTRACURRICULAR ACTIVITIES

MITCH is intentional in our long-term goals, annual targets, and daily purpose. A five-year strategic plan focuses on improving every student's learning. Request our complete strategic plan to learn more.

PARENT ENGAGEMENT

TTSD creates a collaborative approach to student success through building culturally responsive relationships and meaningful engagement of ALL families. Resources tailored to meet the individual needs of every family like teacher webpages, ParentVue, newsletters, and conferences are ways we communicate to families on the growth and achievement of their students. We welcome parent volunteers into our classrooms and school. All major decisions that impact our students are made in partnership with our students and families.

COMMUNITY ENGAGEMENT

The TTSD community has a long and proven history of support for education and their schools. We work every day to steward that support by preparing our students for success in school and life. Our district strives to provide world-class experiences exposing our students to innovative learning in state-of-the-art buildings delivered by best-in-class teachers. We recognize that we can only do this work in partnership with our community. We are grateful for the life-changing assistance we receive from our volunteers, businesses, civic groups, faith communities, and countless others.
