

AM Carline

Starts at 7:30 a.m.

Morning carline drop off begins at 7:30 a.m. every morning. Enter the MITCH parking lot from 90th Court, go past the front of the building and around the back. The cars will split into three lanes. In Lane 2 and 3 you must be the first car in line for your child to exit the car. We do not want children walking between cars or being released before you get to the front of the line. Lane 1 is an exception with an authorized volunteer on curbside aiding the students. As soon as your student is safely out of the vehicle you must put your thumb up & keep it up until you are past the flagger. This signals the flagger you are ready to go and will move the lanes more quickly.

Carline is completed at 7:45 a.m. If you arrive at the school after 7:45 a.m., and there is no longer a flagger out front, you must park to walk your child into the office. You must always sign your child in when arriving after 7:45 a.m.

PM Carline

Starts at 2:30 p.m.

You may not enter the parking lot until an official flagger flags you to move into the lot, at 2:30 pm. Carline does not start until 2:30. There may be children in the garden and participating in PE outside until 2:25.

You may not park in the cul-de-sac or in our neighbors' parking lots.

Each child must have their carline number memorized, and students second grade and below should attach their laminated card on their backpacks so that the teachers can help them.

Please attach your carline number on the passenger visor so that it can be flipped down and the loaders can see the number from a distance. If you are in a carpool, place all the carline numbers on the passenger side of your car so they are visible. For carpools and/or playdates, the drivers should post all numbers for students being picked up but will still drive in their assigned lane.

Enter the MITCH parking lot from 90th Court. If in Lane 1, stay in the lane closest to the building. Lanes 2 and 3 must use the outside lane. The cars will split into three lanes (see map). Drive to your assigned lane. Stop at the loading zone line until you are flagged to enter the loading zone. When your car is loaded please remove your number and hold a thumb up. Please remain fully stopped until the entire lane is progressing. Keep your thumb in the air until you are past the flagger. This is vital to communicate with the flagger, in order to move you through the lanes as quickly as possible.

Once you have passed the flagger, continue moving very cautiously and slowly out of the parking lot, as our neighbors Northwest ESD may be loading small pre-school children at the same time. PM carline will seem a little slow at first. In a few days, it will smooth out and go more quickly. Please be patient, we do not have parking spaces to accommodate parking and walking in to pick up your students.

Both AM and PM carline procedures are set up for the safety of all students as the highest priority.
