Code: EBBA
Adopted: 7/20/23

First Aid**

In cases of sudden illness or injury to a student or staff member, first aid will be given by school staff. Further medical attention for a student is the responsibility of the student's parent(s), or of someone the parent(s) designate in the case of an emergency.

The executive director is charged with providing for the immediate care of ill or injured persons within their area of responsibility.

Staff members shall report self-administered first-aid treatment to an immediate supervisor.

Procedures for handling health emergencies will be established and made known to staff. The public charter school and any public charter school vehicle will be equipped with appropriate first-aid supplies and equipment. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.

Designated employees in each building shall hold current first-aid cards. In compliance with Oregon Administrative Rules, the public charter school shall have, at a minimum, at least one staff member with a current first-aid card for every 60 students enrolled.
